VIJAY STONE QUARRIES PRIVATE LIMITED

LIMESTONES • SANDSTONES • SLATES • QUARTZITES

Company Profile

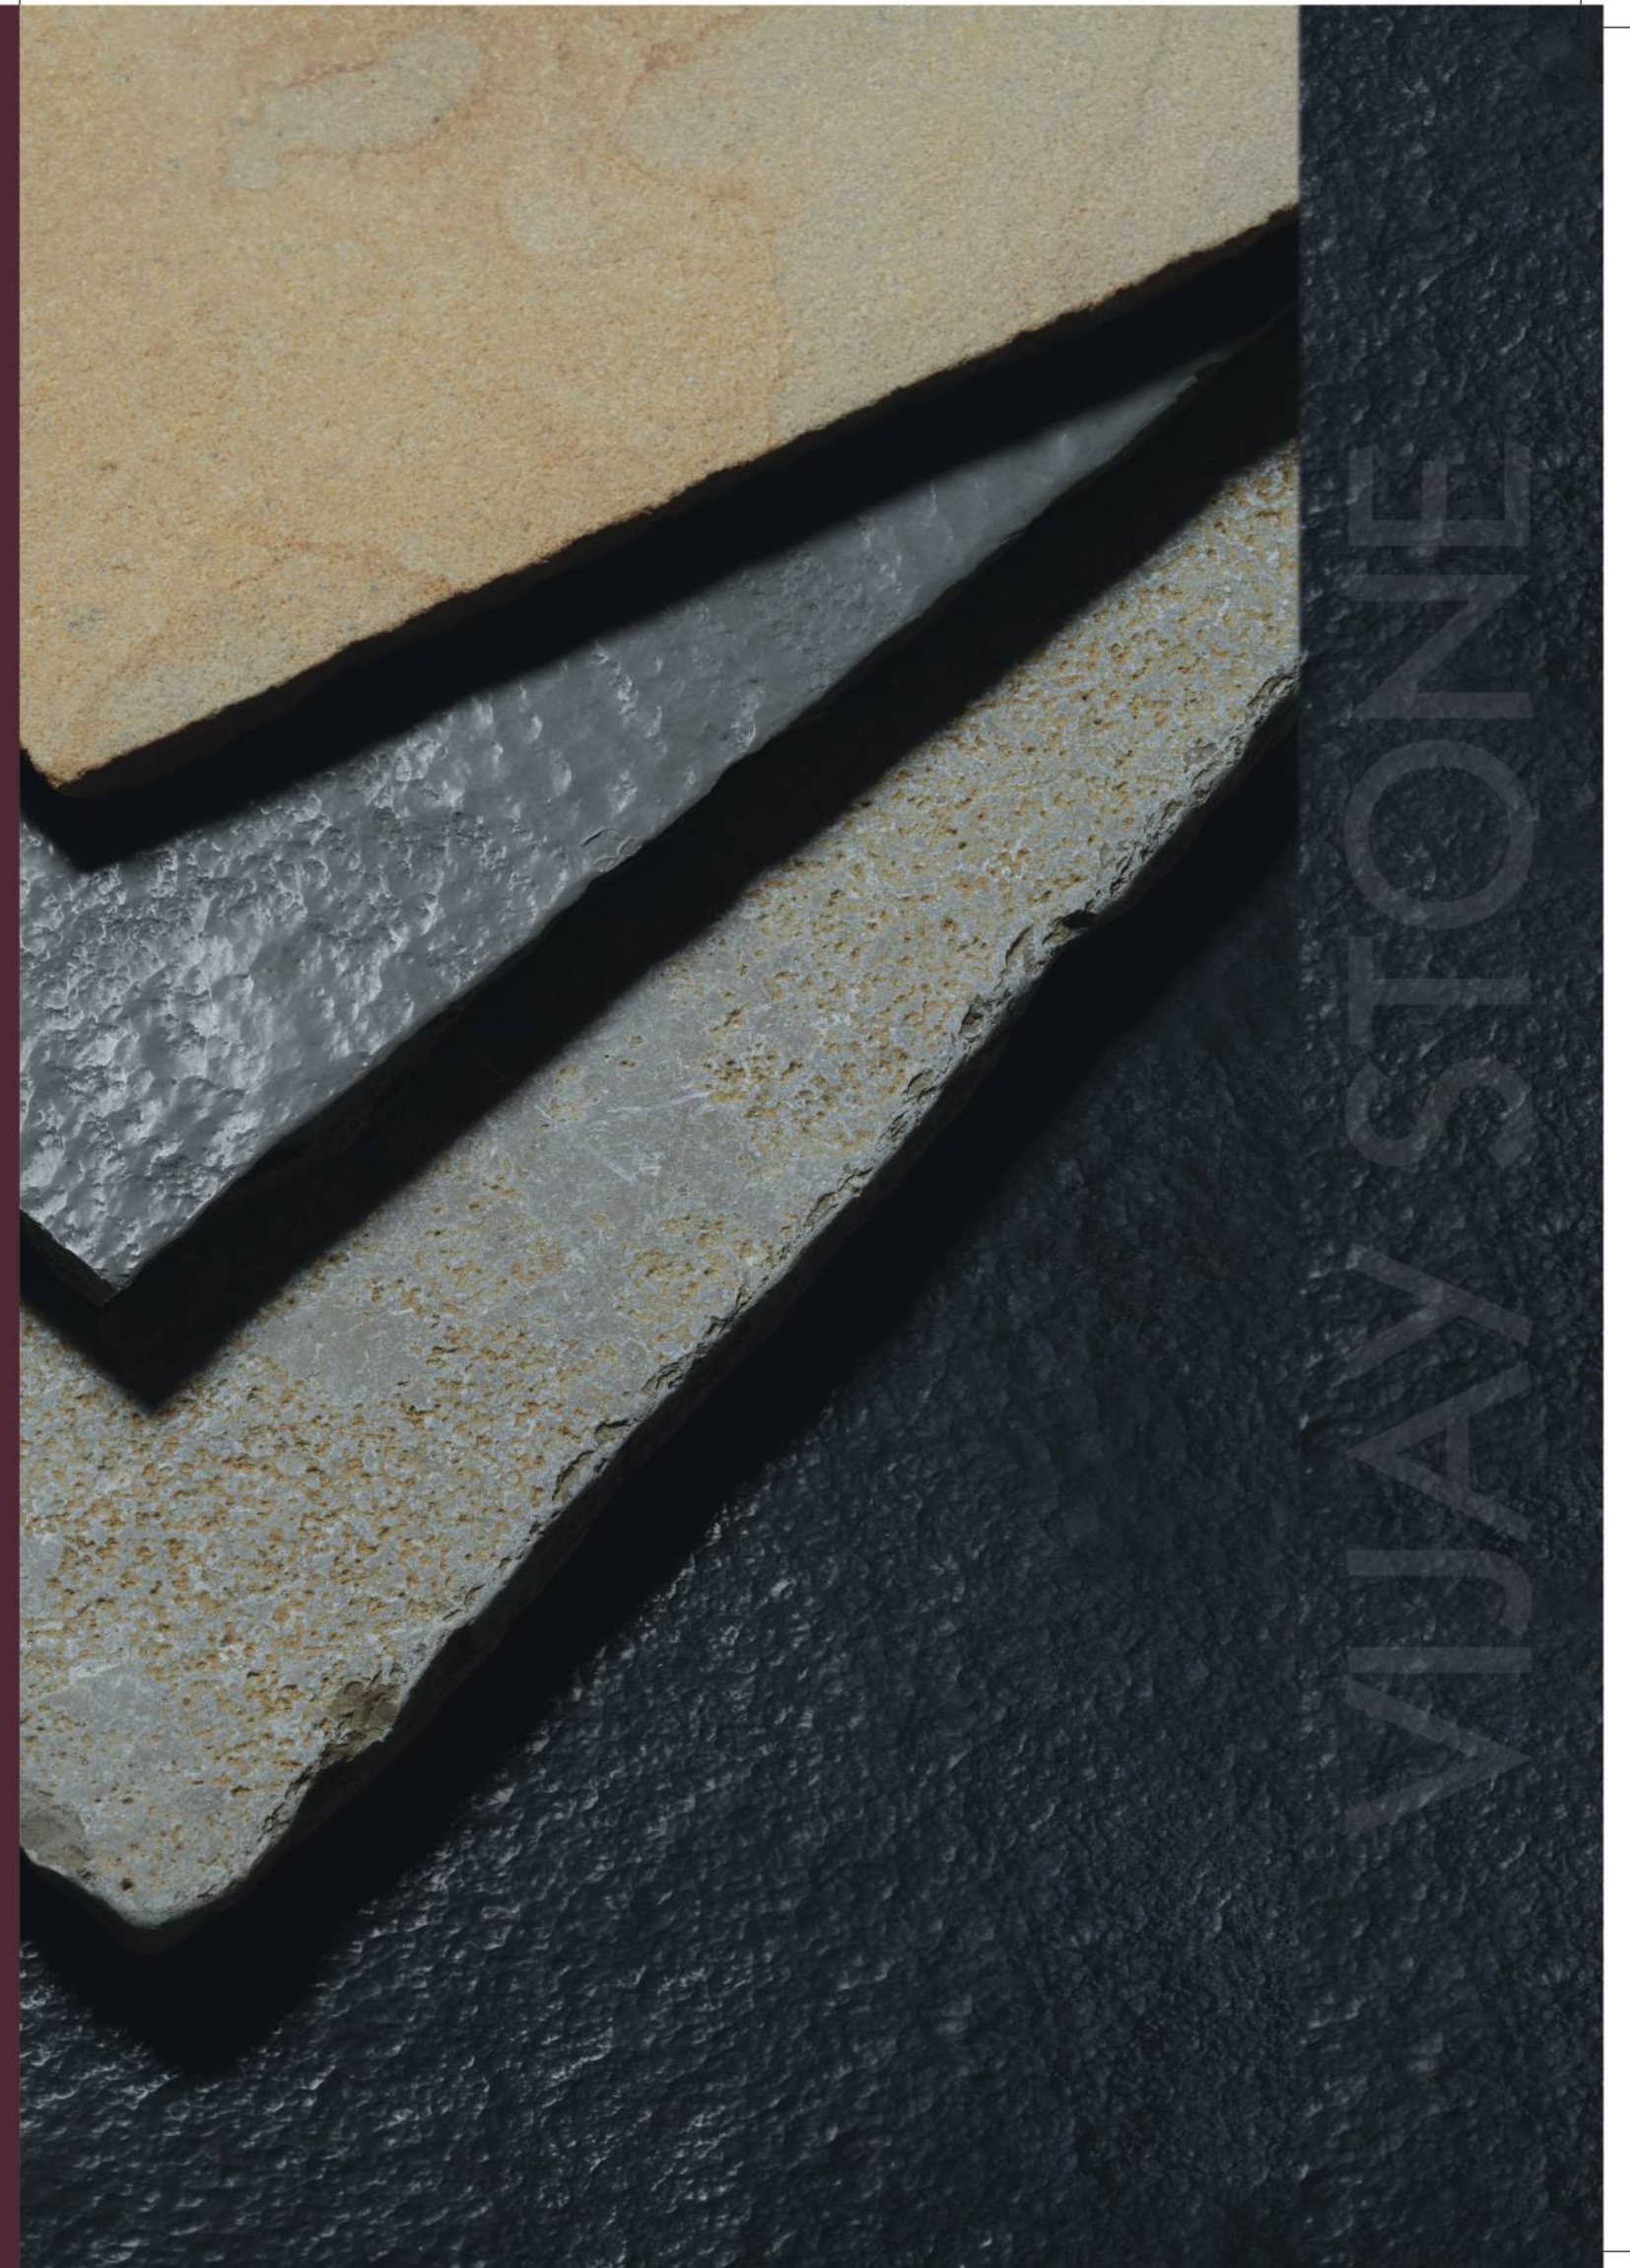

Vijay Stone Quarries Pvt. Ltd. was established in 1952 and has since emerged as a premier producer & exporter of natural stones like Limestones, Slates, Sandstone and Quartzites used in the building industry. Having offices & factories in various parts of India with a major presence in Limestone popularly known as Vijay Yellow & Vijay Blue in south India, having its own quarries & large factories with special type of machines for processing & exporting special surface stone. Vijay Stone over a period of time was established as the leading dimensional stone exporter with initial exports starting in 1973 to Holland initially & later spreading to the whole of Europe, followed to USA, Australia, Newzealand & the Fareast.

Vijay Stone is a family owned company with rich, modern & traditional quarrying experiences for the past four decades, Now with capable management of third generation members holding key responsibilities in mining / processing & marketing. The management has own control to superior product quality & excellent customer service.

Vijay Stone is a recognized export house by the department of Foreign Trade, Ministry of Commerce, Govt. of India, for the past 15 years. Vijay Stone has also been awarded with the several export awards continuously by the Ministry of commerce, Govt. of India, for the past 2 decades.

Vijay Stone is also certified ISO 9001:2008 Company. And also certified Ethical Trading Initiative Code & also confirm to CE norms.

Due to the long standing experience in the trade, Vijay Stone has also been exporting other flooring stone around the country by the long term arrangement with supplier for raw material of stone with a financial funding arrangement, with other quarries and is using the financial tie up to source large volume raw material at effective prices to be competitive in the International market.
